

Sake Appreciation Session

at Tobira Onsen Myojinkan

Embroidered into the very essence of Japanese traditions, each bottle of sake is a masterpiece of artistry. The world of sake is a tapestry of flavors and aromas. Yet, the path to discovering the perfect sake that matches your taste buds can be a labyrinth of choices.

Our sommelier will guide you through the ethereal realm of identifying the distinct notes of sake, helping you unravel the secrets of the *nihanshu*.

Guided

Hikariya Higashi

A culinary haven renowned for its mastery of *Kaiseki*, a traditional multi-course meal. Housed within a refurbished historical edifice from the illustrious Meiji era, this dining sanctuary beckons with the tantalizing aroma of exquisite Japanese cuisine. The dishes, crafted with a deft hand, showcase Nagano's bountiful harvest, featuring fresh produce. A feast awaits.

Outdoor Barbecue

at Tobira Onsen Myojinkan

Indulge in the succulence of grilled meats and verdant vegetables amidst the embrace of the great outdoors, serenaded by the symphony of nature's melody. Unwind and savor this tranquil moment as our culinary sorcerer conjures the feast before your very eyes.

Ishii Miso Brewery

Miso stands as an irreplaceable thread of the Japanese cuisine. In Nagano, over 100 breweries concoct this savory delight, with half of Japan's consumption stemming from this region alone.

As thick snow descends upon the region, a bountiful source of crystal water flows forth, nurturing the key ingredient for miso-making.

Here, a wizened brewer guides you through the art of crafting naturally brewed miso, sharing secrets passed down through generations.

Castle Town Area

Embrace the charm of Matsumoto's downtown, where treasures of antiquity await at every turn. A compact wonderland, where time stands still, the cultural and historical marvels of this enchanted domain are just a walk away.

We will guide you on a journey through Nakamachi-dori, the age-old path of the merchants, and Nawate-dori, known fondly as Frog Street. And, of course, the crown jewel, Matsumoto Castle.

As you meander along the traditional alleyways, the sizzle of Japanese delicacies will tantalize your senses. But the true enchantment lies in the springs that nourish this land. A total of nineteen springs, bubbling with life-giving water, grace your path. Come, let us unlock the secrets of this mystical land, one step at a time.
